Marine Waterproof Phone Sling Bag

Floating Pouch

The Pelican Marine Waterproof Sling Bag is built to protect against the harshest elements and the rigors of extreme activities such as boating, fishing, hunting, and more. This spacious 2-liter IP68-certified waterproof sling bag keeps your belongings secure and accessible with an ultra-durable PVC-coated 500D polyester construction, watertight welded seams, and an external Molle loop system with a carabiner. Quickly respond to notifications without removing your device with the touchscreen-compatible window and phone pouch.
