Protector

Accessory

The Pelican™ Protector AirPods Pro case is created with technology once reserved for first responders and extreme-enthusiasts around the globe. Also equipped with Micropel Protection, your case is already set up for ultimate hygiene. Micropel Protection is the premier technology worldwide for effective, long-lasting, and responsible control of microbial growth. Rest assured that the ribbed, shock-absorbing shell will protect your AirPods Pro from any scratches, impacts or drops and now, germs.

- Military Grade Drop Protection
- Waterproof IPX7 rated
- Detachable carabiner clip
- Accessible lightning port
