

# 9430SL

Spot Light

A few years ago we introduced the 9430 Remote Area Lighting System and changed the way we light our work. Pelican continues to lead the industry: The new Spot Beam model saves lives and defeats enemy threats.

With a tight, 10° beam, the new 9430SL (Spot Light) reaches hundreds of yards for effective search and rescue, law enforcement and military operations. And with a run time of up to 15 hrs, the 9430SL will outlast the longest night of the year.

The 9430 RALS family: searching, defending and illuminating a moonless night near you.

- Built Pelican tough
- Up to 15 hours of run time
